Words By Jasper Britain—1923

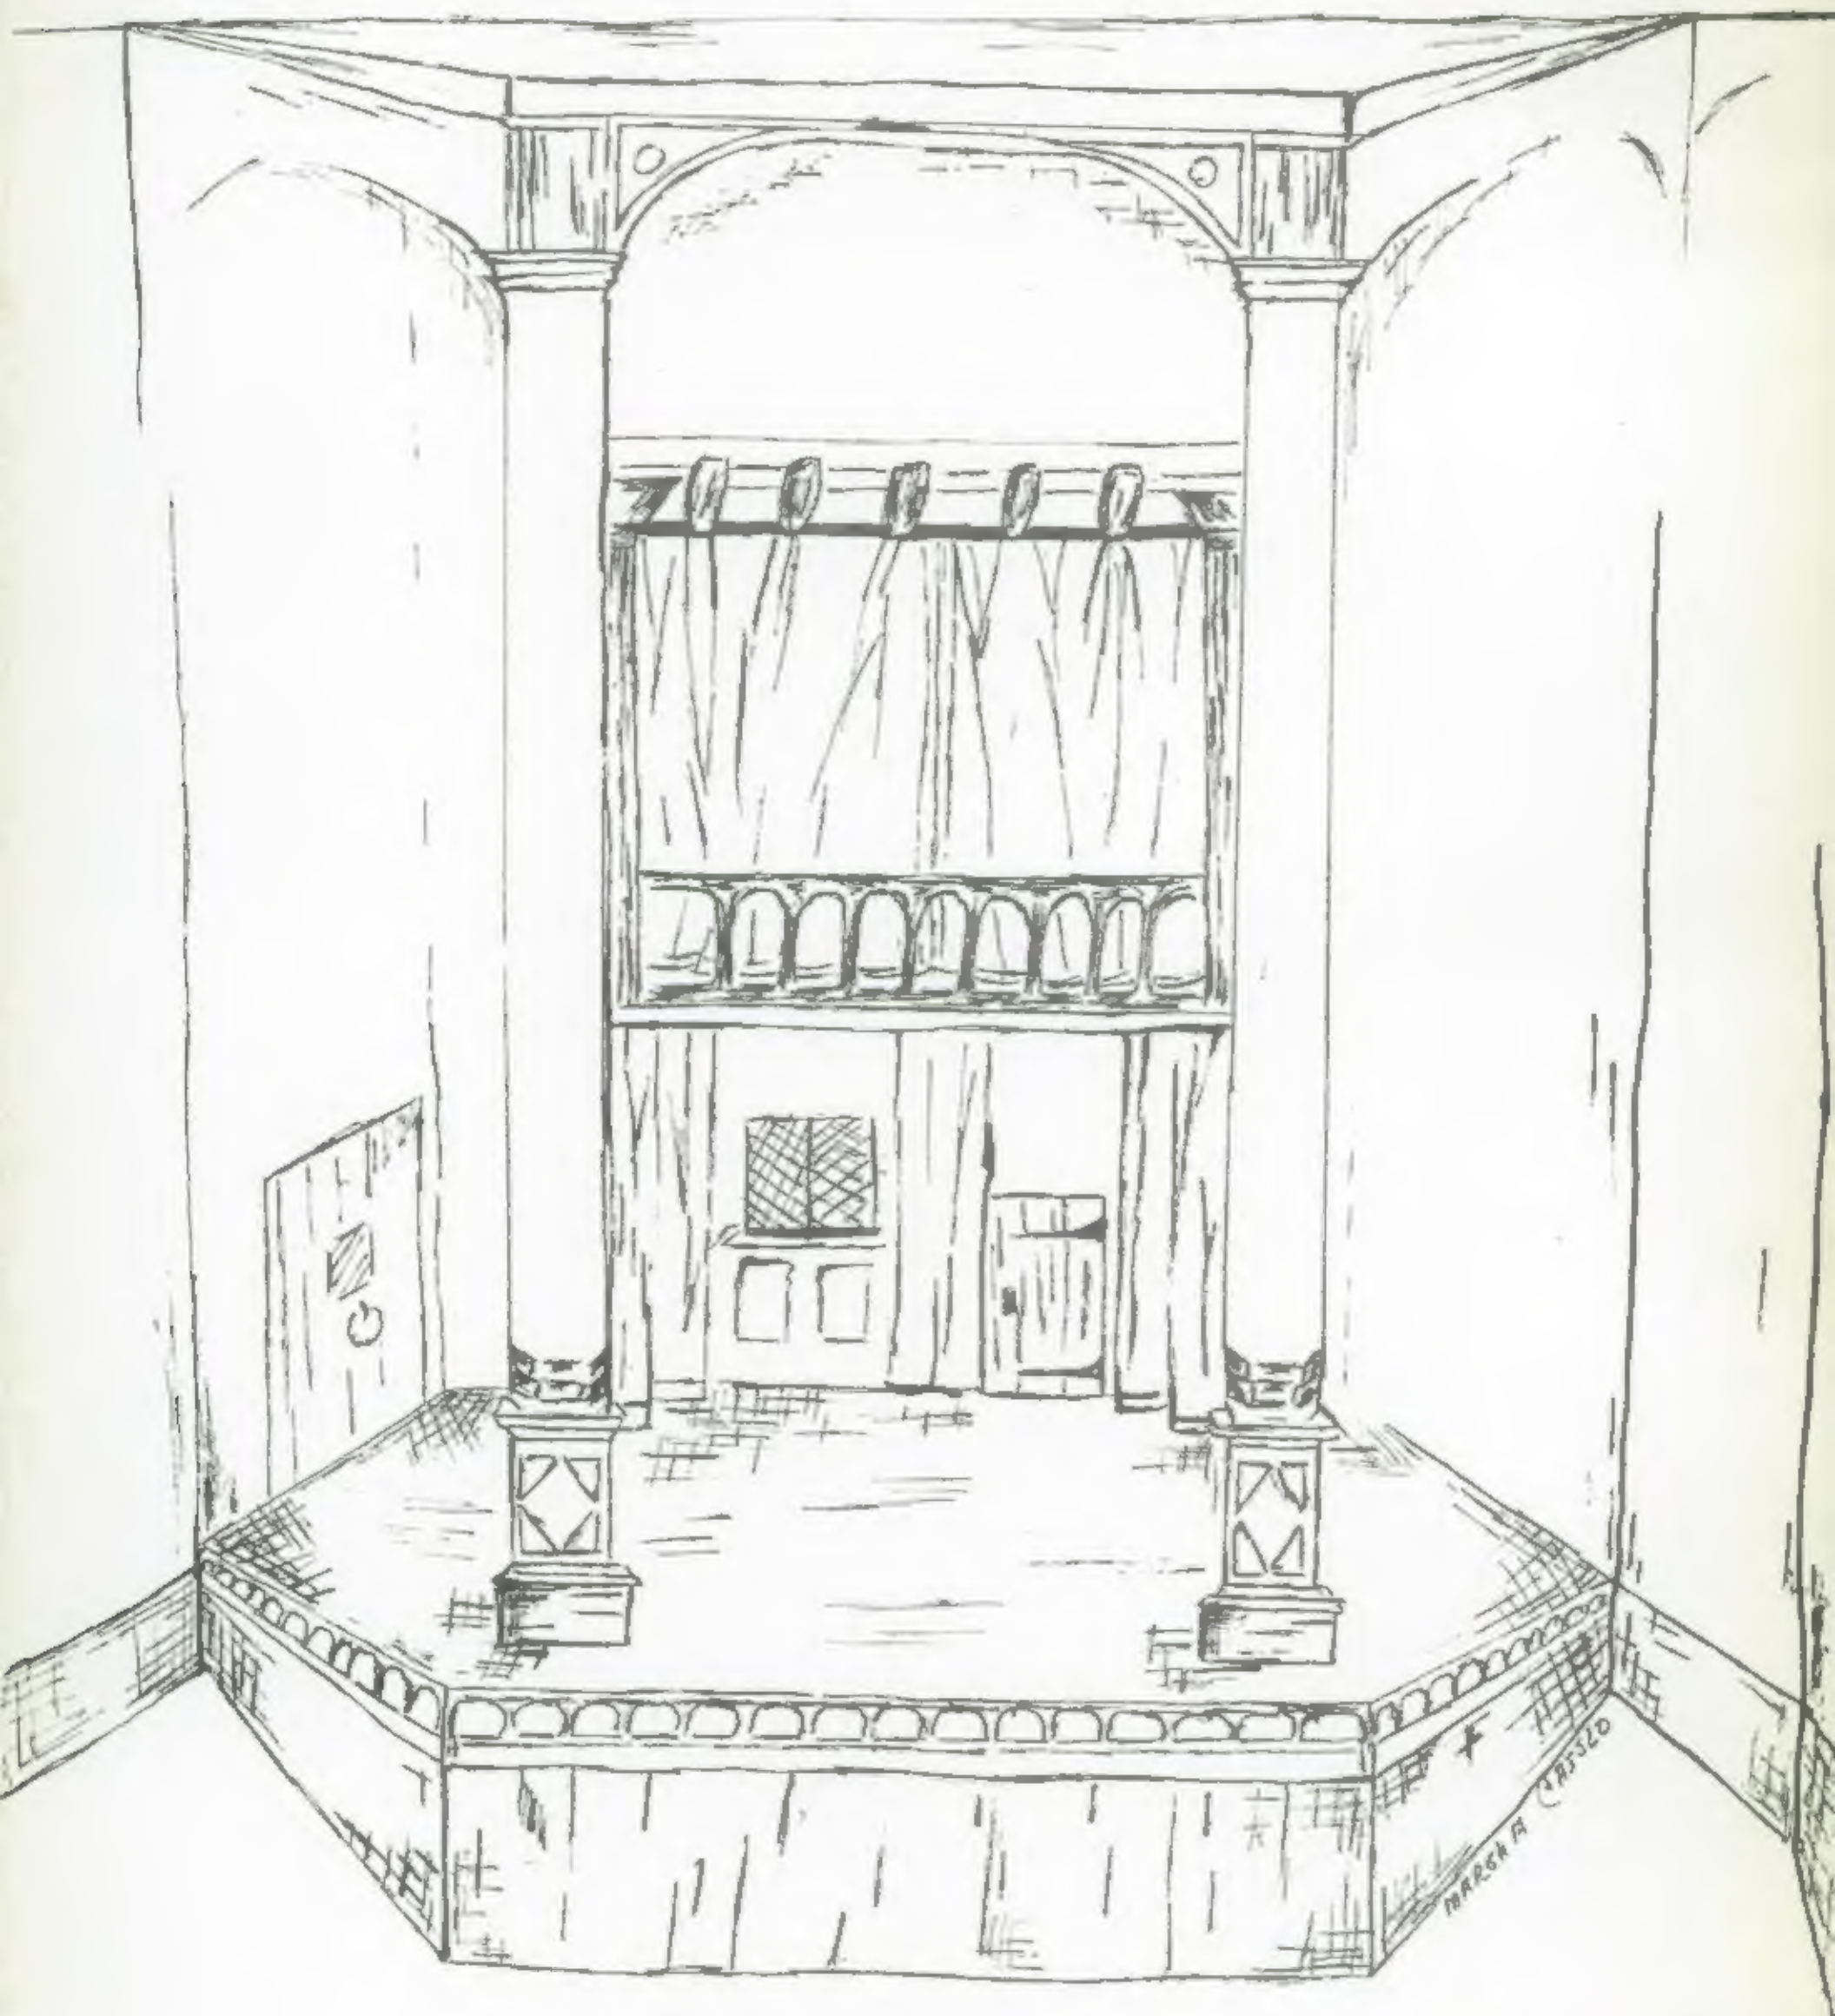

We are proud of football records,
Of our work in basketball,
Of our hard-won baseball vict'ries
Of our players one and all;
And we know our teams each season
Will strive with all their might
To be worthy of old High School
And the dear old Green and White.

So then, come ye, Seniors, Juniors,
Come Soph'mores, Freshmen, all,
And we'll keep the echoes ringing
Through this dear old study hall.
Let us own the white of virtue
And the green for youth and right
As we strive to all be worthy
Of the dear old Green and White.

When Commencement Day is over
And we turn to tread new ways,
We must say good-bye forever
To these dear old High School Days;
And though age will overtake us
As the long years pass in flight,
We shall ne'er forget old High School
And the dear old Green and White.

The 1966 Caravan Presents...

Curtain going up! The stage is set. Sit back, relax, and enjoy the last play to be presented at West Pittston High School.

"The Grand Finale"

The audience awaits breathlessly the performance of the West Pittston High School Players. It is to be their eighty-eighth and last performance. Veteran actors are seated in the audience, and now, as they await the program, they think back over their own acting days at the great West Pittston Hall. The old color scheme of green and white still adorns the theater, and the adopted good luck charm, the Ram, still stands, revered by all the performers.

As the curtain is drawn, the lights begin to dim, and tears can be seen glistening on each cheek. Although the auditorium has been darkened, memories remain bright, and the old spirits of West Pittston High School come alive as "THE GRAND FINALE" takes shape....

Traditionally, the Caravan has been dedicated to a teacher who the seniors feel has been an outstanding, beneficial influence in their lives. One who has had the Caravan dedicated to him must have gained the utmost respect and admiration of the seniors. For the dedication of the final issue of the Caravan, we, the seniors of 1966, have chosen to honor every teacher in our high school.

We owe much to all our teachers and wish to recognize the faculty for the years of service they devoted to us. Our books gave us information, but our teachers gave us knowledge and wisdom. In appreciation for their unselfish interest in us, we want to honor them all.

Therefore, we, the Class of 1966, dedicate our yearbook to the entire West Pittston High School Faculty.

MR. R. CHESTER WILLIAMS

DR. DORIS E. WYLLIE

MR. JAMES O. BROKENSHERE

MR. JAMES T. AYRE

MISS MARGARET M. CLELLAND

Miss Margaret Clelland, director of the Magazine Drive, has capably supervised the major fund-raising project of the yearbook since the project's beginning. Giving unselfishly of her time and of her superior business ability, Miss Clelland has consistently displayed her interest in the school, in the senior class, and in the Caravan. Realizing that no amount of gratitude could equal her efforts, the Caravan staff would like to pay tribute to Miss Clelland for all that she has done. We speak for seniors present and for seniors past; we will remember Miss Clelland as our teacher, as our advisor, and as our friend.

MR. ANGELO BUFALINO

A yearbook is composed almost entirely of pictures. In the Caravan, as in other yearbooks, we have tried to preserve some of the memories of the past year. During the years that Mr. Angelo Bufalino has been the Caravan's photographer, he has added to our yearbooks by producing pictures of the finest quality. In recognition of all that he has done for so many Caravans past, the 1966 yearbook staff would like to thank Mr. Bufalino for his patience, kindness, and competence.

MR. LEWIS A. SHOOK

Mr. Lewis A. Shook, the Caravan's faculty business manager, has been greatly responsible for the success of the subscription, booster, and patron drives of the yearbook. Directing the business staff in the performance of their duties, Mr. Shook has contributed a great deal toward the financial success of this publication. In recognition of his efforts, the 1966 Caravan Staff, on behalf of all yearbook staffs who have had the benefit of Mr. Shook's experience and assistance, thanks him for the services he has rendered to the Caravan during these many years.

MR. C. EVERITT LaBARRE

No book is really a book until it is printed. Only if the printing on a yearbook is well done can the book be truly successful. For this reason we are again happy to have this phase of our production handled by Mr. C. Everitt LaBarre. Mr. LaBarre has always shown great interest in our school and has offered his personal services many times to our staff members. We extend our great thanks to Mr. LaBarre for the genuine interest and concern he has shown to Caravan staffs from West Pittston High School.

CLASS SONG

Tune: The Sound of Music

West Pittston High, we must sadly leave you.
 Though you've been our life for so many years;
 And as we now face the world before us,
 The joy in our hearts will be mixed with tears.

We have been guided by truth, honor, and fair play,
 Strengthened with knowledge and right.
 We have lived for the youth and the virtue of
 Our colors green and white.
 The memories we share we'll cherish now
 And in years to come.
 We join hearts and hands
 And together we walk toward the sun.

Now it has come, the time for parting
 To friends we have made, we must say good-bye. ♪.
 Farewell, high school days,
 We shall ne'er forget you—
 Farewell, West Pittston High.

demic knowledge but also an understanding of Japanese culture and customs.

As a member of West Pittston High School, she participated in many activities. She was co-captain of Drill Team, a member of F.T.A., Gym Team, and Girls' Glee Club.

When Myrna returns, she will enter college, hoping to major in mathematics or science.

In Memoriam

JAY ALEXANDER

VINCENT CARROZZA

Tears and laughter, sorrows and joys, agonies and ecstasies all are emotions in life. This year our class faced such an experience through the sorrows of death. We must realize, however, that we had the joy of knowing Jay Alexander and Vincent Carrozza as our friends and classmates. Sharing the grief and loss of the families of these classmates, we offer our condolences to them. We present this Caravan in memory of Jay Alexander and Vincent Carrozza.

Throughout our lives
We must face
Many sorrows
Time won't erase.

We don't question
What God commands;
We accept
What He demands.

Our friends are happy
In heaven above,
Where they share
God's infinite love.

E, THE SENIORS OF 1966, having come to the end of our high school career, must dispose of our possessions. As the curtain falls on the last act, our senior year, we must clear the stage of our more valuable properties. Our friends, the juniors, are our heirs. We hope they will use their inheritance wisely during their final performance.

Thus, being of sound mind and body, we hereby bequeath:

The Green and White Marching Band was formed in 1929. During the thirty-seven years of its existence, it has lent much color and excitement to football games and pep rallies.

Everyone loves a parade, and our band is no exception. This year, as in previous years, the band marched in the Northeastern Pennsylvania Volunteer Firemen's Parade held at Jermyn on September 12, 1965, surprising no one by taking first place honors.

Without the enthusiasm and diligence of the members, these events would not have been possible. During the summer, and many nights after school, the band members can be found practicing the long hours necessary to attain the degree of perfection they achieve.

We, the seniors of the marching band, wish to express our appreciation to Mr. Frank I. Edwards for his guidance and encouragement throughout the year.

With a flash of green and a sparkle of white, the first pep rally began. Since that time the perky cheerleaders have led us through the depth of defeat and the height of victory.

Never giving up hope, even when the scoreboard looked ominous, they cheered their way through both basketball and football games. This year they added a new touch to the football games by throwing miniature footballs each time we made a touch-down.

Mr. Lawrence Brogna
Advisor

To Mr. Brogna, the cheerleaders director; to Bonnie Brodbeck, the captain; to Jane Troiani, the co-captain, and to all the cheerleaders; we owe great thanks for the spirit they added to our athletic ventures this year.

"Snappy" is the most concise adjective that can be used to describe the 1966 majorette squad. Since its formation twenty years ago, the West Pittston Majorettes have always been a well organized, co-ordinated group, and this year's majorettes have been no exception.

Headed by Captain Bernadette Hogan, Co-captain Phyllis Cumbo, and Drum Majorette Karen Calisto, the majorettes entertained many with their excellent dances and twirling routines.

Through their outstanding efforts our twirlers generated much enthusiasm and added extra sparkle to the football games and pep meetings.

In its third year of existence, the 1966 version of the drill team has again proven itself to be an outstanding unit of the West Pittston High School Marching Band. Dressed in Kelly-green uniforms, this twenty-five member organization led by Captain Geraldine Nocerini performed at football games, parades, and rallies. This year, for the first time, presenting a swinging version of the "Charlotte Harbor Stomp," they also joined in the vigorous activities of a pep meeting.

This year's drill team is to be commended for displaying undaunted school spirit and for impressively representing West Pittston High School.

The strains of "Symbol of Honor" or "Queen City" greet the students each morning as they march into chapel. Directed by Mr. Frank I. Edwards, the Senior Band also performs for P.T.A. programs, in the annual Spring Concert, and for various other school functions. Among Mr. Edwards are the officers, chosen from the senior members of the band: President, John Hindmarsh; Vice-president, David Chintala; Secretary, Marilyn Detato, and Treasurer, Rhys Sherman. The main duties of these officers are to take roll each morning and to assume the direction of the band in Mr. Edwards's absence.

The Spring Concert is an important event at the school. In order to perfect the difficult pieces chosen by Mr. Edwards, the band must spend long hours in practice. Each member puts much of himself into making the concert a success.

This year, as in previous years, West Pittston High School was fortunate enough to send a representative to the District Band Festival. John Portelli was chosen for his ability as a clarinetist.

The seniors who put their musical instruments aside for the last time know that the Senior Band will always remain an essential part of the school. It is they who have helped to make it so

THE GRAND FINALE of West Pittston High School is set to music sung by the Mixed Chorus. A comparatively new organization at West Pittston, the Mixed Chorus was organized by Mr. Frank I. Edwards in 1960. It has become well known not only in the school itself, but also in this community and others.

The group has performed at Kingston, Forty Fort, and Plymouth High Schools, and also for the Junior Women's Club of West Pittston. Small groups composed of members from the Mixed Chorus have sung at Pittston Kiwanis Club meetings and the First Methodist Church in Wilkes-Barre. For five years members of the Mixed Chorus have participated in District Chorus; and last year Mary Himmelwright was chosen to sing with the Regional Chorus.

Students at West Pittston High School have learned to look forward to the Mixed Chorus's various performances throughout the year. This group displays the vast amount of work put into it by its director Mr. Frank Edwards, not only during the holiday seasons when the group offers selections augmenting the holiday spirit, but also at numerous short chapel programs, P.T.A. programs, and special assemblies during the year.

The Mixed Chorus has brought the excitement and fantasy of the Broadway stage to audiences in its presentation of the scores from *West Side Story*, *Shen Boat*, *Carousel*, *Sound of Music*, and *Kismet*. The reverence and majesty of spiritual music have been presented in the form of Handel's *Messiah* and Mendelssohn's *Hear My Prayer*. Contemporary tunes such as *Ripple and Flow* and *Deep River* have also been sung by the group.

We at West Pittston High School are deeply indebted to Mr. Edwards for his work in organizing and continuing this group. Through the frustrations of bad practices and sour notes, he has never given up his rather thankless job. Few of us in the school realize how much Mr. Edwards puts into the chorus in order to make our few minutes of listening pleasurable. Music is an international language. The West Pittston High School Mixed Chorus will long remember the enjoyment they have had conveying this language, and their listeners will never forget the quiet joy that the chorus has brought to them. With appreciation for all he has done, the Seniors of 1966 thank Mr. Edwards for adding the Mixed Chorus to the memory of West Pittston High School.

The Girls' Glee Club is an extracurricular activity for both junior and senior girls. Members are chosen according to their ability to sing and to read music. The girls practice every Tuesday in the auditorium with their director, Miss Cathran J. Fear. Their many long hours of hard work are revealed when they participate in the annual Spring Concert. The Club also gives performances in chapel and at Parent-Teacher Association meetings. The experience the members gain through singing in this group is the foundation for success in the field of music.

The Organ Club is one of the extracurricular activities in which both junior and senior high students may participate. These students are chosen by their director, Miss Cathran Fear, on their piano-playing skill and their music-reading ability.

P.T.A. meetings and various school functions provide the opportunity for these musicians to display their skill in playing preludes and postludes, a skill developed by long hours of practice during the summer months.

For many students, this is the only opportunity they will have to play an organ. The experience gained by the members of the club will be of great value in their future years.

Patterned after its parent organization Kiwanis, the Key Club was formed in 1958 to render service to the local school and to the community. Unlike many youth organizations that get bogged down in their high-sounding ideals, Key Club is an organization of ACTION.

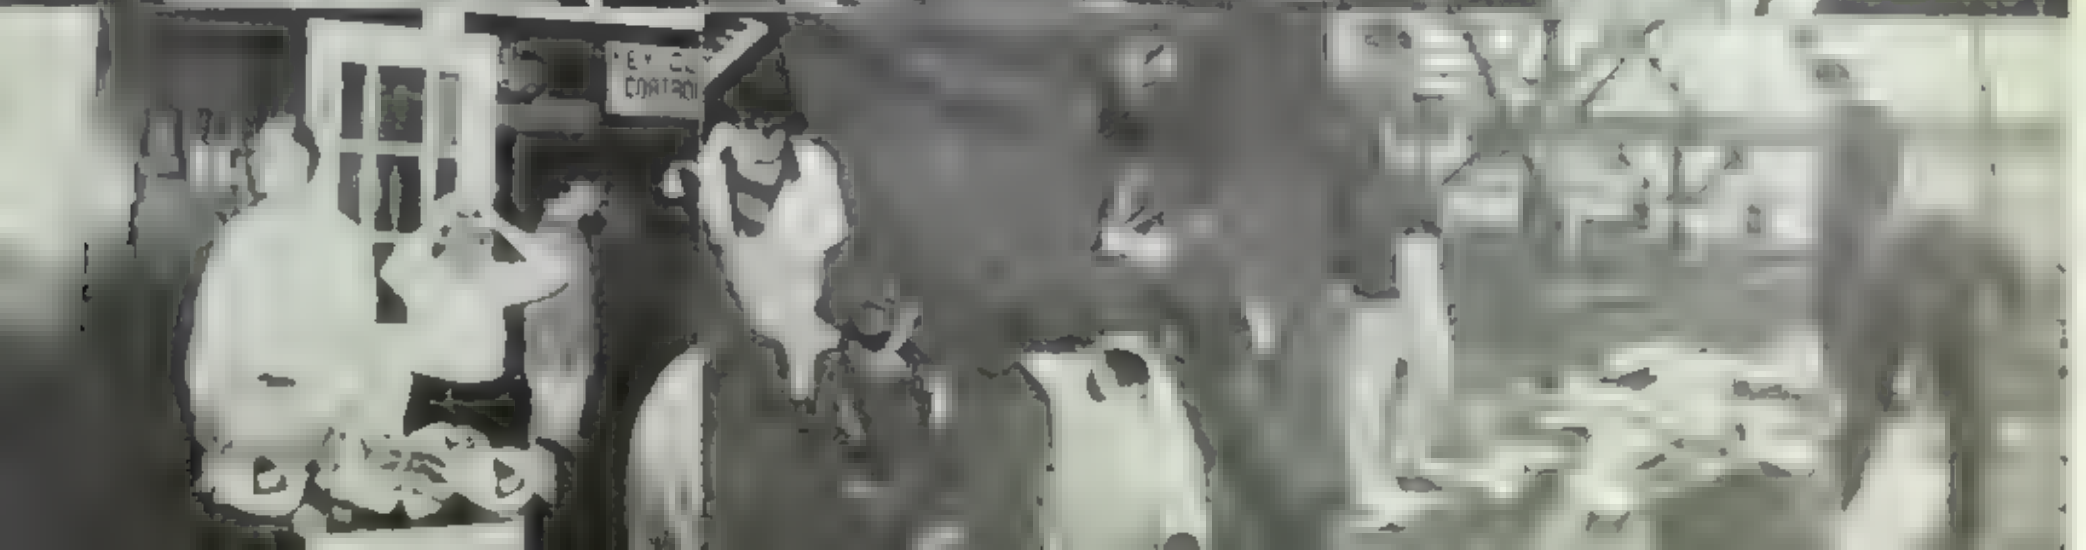

We, the students of West Pittston High School, are fortunate to have an active Key Club. Our Key Club is always faced with the question "What can be done to improve our school and our community?" With this question in mind, Key Club projects are chosen. All funds raised by the Key Club are used to benefit the school and the community and are never used to finance the organization's social events.

In the past two years our Key Club has received state-wide recognition for its achievements. Because of the guidance of Mr. James A. and Mr. James Brokenshire, the dedication of its presidents, and the hard work of its members, the Key Club is the success it is today.

F—a promise for the future, T—the teacher whose influence can greatly affect the lives of the students, A—America, the great land of opportunity. These ideals upon which the Future Teachers of America is founded have made the organization one of the most beneficial at West Pittston High School.

The F.T.A. was chartered April 25, 1955. This first club had only eight members. Under the direction of Mr. Ayre, Dr. Wyllie, and Mrs. McNamara, the club has endeavored to bring out the finest qualities in its members. The F.T.A. endeavors to assist young people in deciding whether or not they are suited for a teaching career. This purpose has been accomplished by allowing each member to do student teaching under the guidance of members of the faculty. Club members also entertain various speakers from colleges and nursing schools, act as guides for P.T.A. programs and for the guidance conference, hold an annual tea in honor of the faculty, and take educational trips to colleges. These successful activities have made this organization one of the most outstanding in the history of West Pittston High School.

The name of this chapter is the *Honor Society Chapter of the National Honor Society of Secondary Schools*. The objectives of this chapter are to create an enthusiasm for scholarship, to stimulate a desire for order and service, to promote leadership, and to encourage the development of character in West Pittston High School students. All activities of this chapter are supervised by the Society's advisor, Dr. Doris Wyllie.

The qualifications for membership are: scholarship, leadership, service, and character. Scholastically, every member must maintain an 87.9 average.

Organized in 1921, National Honor Society became a permanent part of West Pittston High School in 1965. Only seniors and juniors are eligible for membership; however, this society encourages underclassmen to study more conscientiously and to participate in more extra-curricular activities.

Affiliation with such a fine organization benefits the student not only in high school, but also in future endeavors, since all active members become graduate members of National Honor Society at graduation.

One club of great importance to the senior girls at West Pittston High School is the Library Club. Sixty-three girls, under the direction of Miss Mary Richards, librarian, learn various library skills by assisting in the operation of the library.

The girls check books, keep records of those who use the library, mend books and magazines, straighten shelves, decorate the library and function boards, run errands, and perform various other tasks.

Marsha Scott holds the office of president of the senior Library Club, with Cathy Salvo as vice-president, and Cecelia Chiampi as secretary.

The club was formed by Miss Richards in 1952. This first chapter had a membership of twelve senior girls who were especially interested in library work. In 1956 the club was opened to all grades and enlarged to its present size.

The senior Library Club is actively participating in Wyoming Valley's Inter-Library Club Council, composed of students from the eleven member schools. The Council's purpose is to promote library publicity and to establish good will between the schools. West Pittston's Library Club is proud to hold one of the council offices—Marsha Scott is their secretary.

We, the seniors of 1966, wish to thank Miss Richards for her help and guidance and for the fellowship and fun we experienced as Library Club members.

Everyone, especially seniors, values the Caravan highly. To each senior the Caravan will bring back cherished memories of his high school career. Many enjoy our yearbook, yet few understand what has made it a success.

The magazine drive sponsored by our school provides the required funds to make the Caravan a reality. Each West Pittston student who participated in the campaign made a distinct contribution to the 1966 yearbook. We express our gratitude to the people of the

community who have been interested enough in our yearbook to purchase magazines from our solicitors. With the competent help and direction of their advisor, Miss Margaret Clelland, the business managers and secretaries handled the money and kept records efficiently.

The effort put forth by those involved in this magazine drive provided the financial support vital to the publication of the 1966 Caravan.

"Le Cercle francais", as it is referred to by its members, is a French language club, organized two years ago to encourage an interest in the language and culture of France.

Under the direction of Mrs. Margaret Mitchell, the French Club has flourished. *Le monde francais*, the club newspaper, has initiated a policy whereby

the members contribute worthwhile articles, most of which are written in French.

As in previous years, a program is presented at each meeting. These programs consist of skits, games, films, and talks. A program committee appoints club members and engages visitors to entertain the club.

Much credit for the success of the French Club falls upon the able leadership of the officers: Mike Guiliano, president; Tony Clifford, vice-president; Marsha Scott, secretary; Sally Fear, treasurer; and upon Mrs. Margaret Mitchell, the group's advisor.

For many years Slide Rule Club has been an extracurricular activity available to any senior student interested in learning the fundamentals of the slide rule. Although using this precision instrument is part of our mathematics course, limited classroom time motivated the need for a Slide Rule Club. Miss Jones, a mathematics and general training teacher, has always been the club's advisor. She was the advisor of Mathematics Club and Chess Club before she became advisor of Slide Rule Club. Under Miss Jones' capable supervision, members gain valuable experience and practice with the slide rule. This knowledge will be important to these students in their future college years.

The Radio Club, formed last year to promote interest in amateur radio communication, is open to anyone having a sincere interest in this field. Since its beginning, the club has expanded to include girls.

Under the capable direction of the club advisor, Mr. George Davenport, the members obtain much useful information about radio communication and the electronics involved. The meeting time is spent in instructing the members in the knowledge of the elec-

tronic theory required for them to pass the examination for a license.

A great source of pride to each member is his call letters. Several of the members are licensed.

In its second year of existence, the Speech-of-the-Week Club, under the direction of Mrs. Philip H. Harris, has again given seniors valuable experience in oratorical speaking.

The speeches, which had been prepared for class recitation, were presented during chapel exercises.

Topics, appropriate for various occasions and holidays, included discussions on famous men, current events, personal feelings, and athletics.

In addition to presenting the audience with interesting material and sound advice, the club was beneficial to the individual student, as it gave him experience in speaking before a large audience and confidence in himself as a capable speaker.

West Pittston High School offers many activities to satisfy the varied interests of its students. One of the foremost of these is the Chess Club. Under the direction of Mr. Kenneth A. Lewis, this organization is comprised of senior students interested in learning or increasing their knowledge of chess.

Chess Club members are divided into three groups: beginner, intermediate, and advanced. The beginner group learns the fundamental moves and rules and soon become capable players. The intermediate group, whose members already know the basic moves and rules, gain skill by playing with persons of their own ability. The advanced group, the club's "chessmasters", assist the other groups and learn the complicated gambits, middle, and end-game plays.

The club members are grateful to Mr. Lewis for his time and effort in helping them to enjoy this rewarding pastime. Assisting Mr. Lewis are the officers: Michael Guiliano, president; Cecelia Chiampi, secretary-treasurer; and Larry Ditoro, vice-president.

Under the guidance of Mr. R. Chester Williams in former years, and Messrs. Harold Chromey and George Davenport this year, Youth Center has provided many enjoyable evenings for the students.

Elected by each homeroom from the ninth through the twelfth grades, the members of Student Council, whose main function is to run Youth Center, are directed by President Anthony Clifford, Vice-President Anthony Scalzo; Secretary Carol Lefchak; and Treasurer Grace Palermo.

This year, in addition to money contributed to the March of Dimes, clothes collected for the Salvation Army, and toys donated by members and distributed by the Marines to needy children, Student Council presented several books to the school library.

In March an extremely successful program was given at Youth Center. A talent show presented gifted students a chance to perform in front of the members of Youth Center. Enjoying the night tremendously, the students received first, second, and third place monetary awards.

Frequent visits by name bands highlighted most Saturday night dances. "Senior Night" was brought back, along with many other interesting planned programs.

Since a great many changes will be taking place in our school district, Student Council hopes to take part in organizing a student government next year.

1965 Junior Prom

During the spring of 1965, the present senior class was anxiously planning their first major feat—the Junior Prom. An annual event, the Junior Prom is presented by the juniors as a last salute to the seniors.

With six weeks of discussing, planning, and budgeting behind, the juniors embarked on their tremendous task of decorating the school gymnasium for a "Roman Holiday." Once the "Roman Holiday theme" was chosen, the Prom Decorating and Refreshment Committees were assembled. All worked assiduously to complete the gymnasium by Friday night, June 11, 1965. The junior boys constructed two entrance bridges and numerous pillars; many members of the Decorating Committee created a Roman Forum Mural and a park setting with a fountain; the entire dance floor was canopied with emerald green and gold streamers. The Refreshment Committee arranged for soft drinks and provided cookies.

The day finally arrived; the gymnasium was miraculously completed. Then, for three hours, the junior and senior classes enjoyed a "Roman Holiday." Now, the 1965 Junior Prom is only a memory of a fantastic accomplishment of the Class of 1966.

Pigskin Review '66

RAMS—"Right Attitude Means Success." This name was first given to the West Pittston High School athletic teams by Coach Ollie Thomas in 1938. Even today, this motto is the foundation for all our athletic endeavors.

Many changes have taken place in the Rams' football games throughout the history of West Pittston High School. Lacking a stadium and standard equipment, West Pittston played at Baltimore Avenue commons until 1934, when our present stadium was built. Until 1919 each player supplied his own equipment and uniform. Our early teams lacked regular coaches and faculty managers.

Throughout the eighty-eight years of the existence of West Pittston High School, one thing has not changed—our school colors have always been green and white, green symbolizing youth and right, and white, virtue. Our boys have always been proud to wear these colors; they have never disgraced them.

This year was no exception. The West Pittston Rams displayed a relentless fighting spirit throughout the 1965 season. Showing continued improvement as the season progressed, the Rams finished the season with an impressive win over Exeter, the traditional Turkey Day rival.

Though the team didn't cross their opponents' goals very often, their varied defensive and offensive maneuvers provided the fans with many thrilling moments. Under the capable guidance of Head Coach, Merle Bainbridge and Assistant Coach Robert Tonkin, the West Pittston Rams displayed the traditional good sportsmanship and determination during the entire season.

The leading scorer for the Rams was Frank Delaney, the Rams' junior halfback. Also high in the scoring column were seniors Anthony Scalzo and John Williamson.

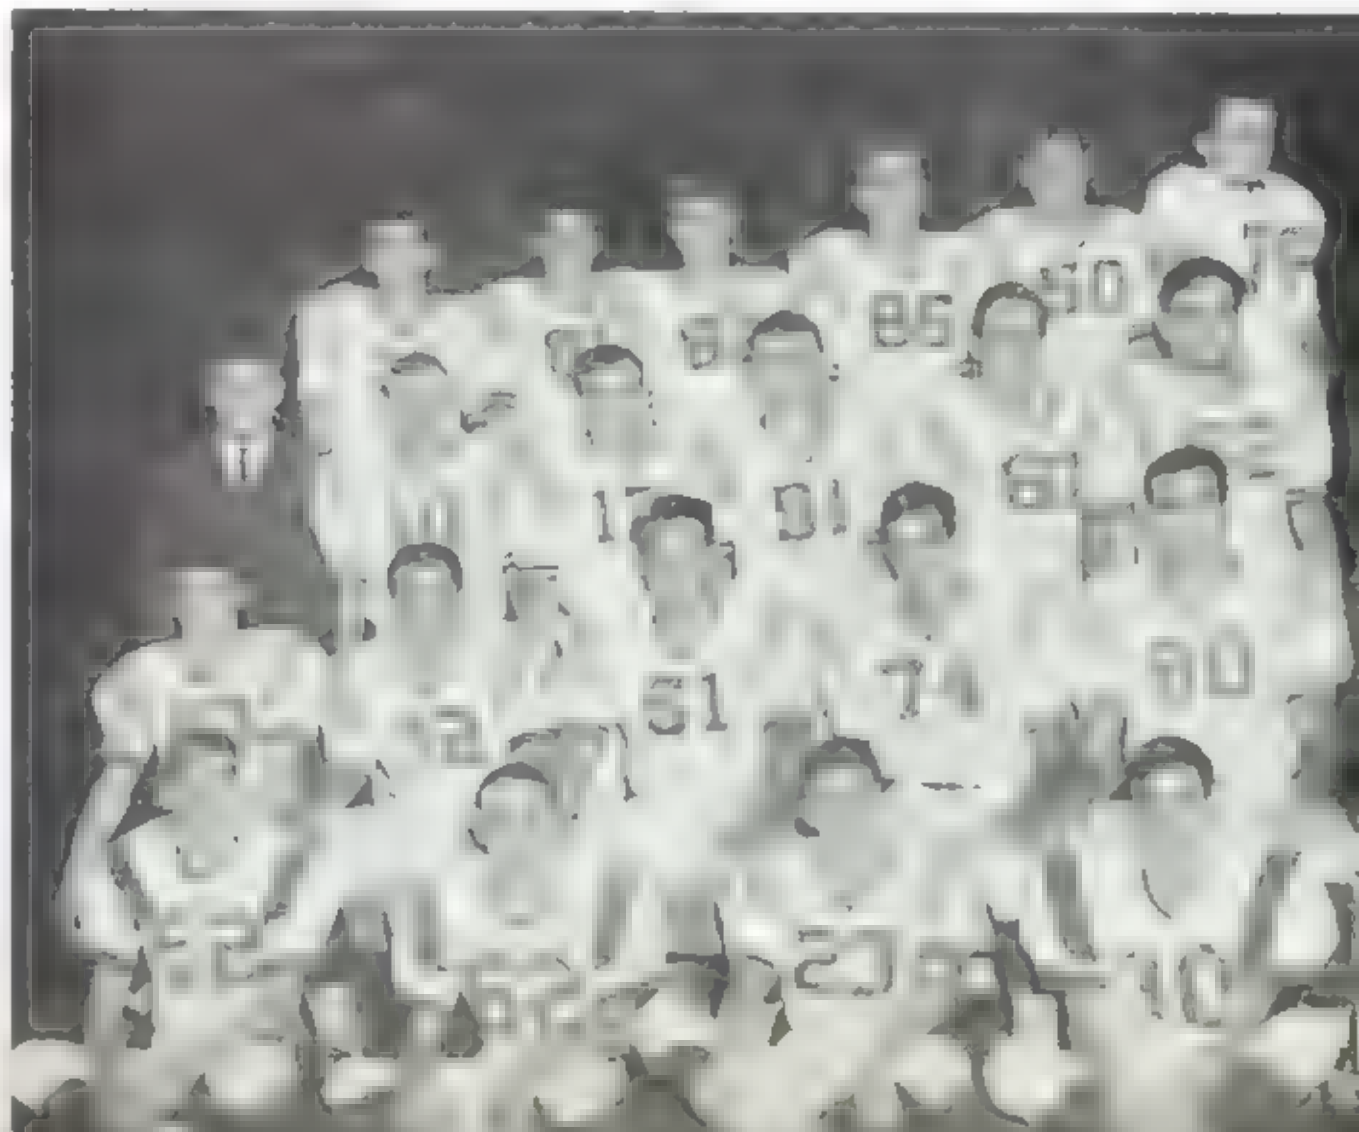

With the fine passing of quarterbacks Kent Bratlee and Tommy Billinge, and with the hard running of our offensive backs, Frank Delaney, Joe Labaty, Anthony Scalzo, and Greg Shiner, the Rams provided a serious threat to many of their opponents. The Rams' ends, John Gillis and John Williamson, gained much yardage through their keen receptions and hard running.

The Rams line, led by Guy Capone, Ed Connors, Dave Guss, Biagio Mangano, Paul Marranca, and Nelson Smiles, opened many holes in their opponents' lines. The Rams' defense, headed by Domnick Aritz, John Jurchak, and John Williamson, proved to hamper consistently our opponents' running. The defensive secondary with Frank Delaney, Rusty Hines, and Greg Shiner were quick to intercept.

Although the Rams started the season with many new and inexperienced players, Coaches Bainbridge and Tonkin built a fine West Pittston team. Much credit should be given to the boys who practiced long hours and who never lost their fighting spirit.

The newly established golf team has brought much satisfaction to golf enthusiasts at West Pittston. The golf team, once again under the leadership of Mr. Lewis Shook, began the season in fine fashion, as a member of the Wyoming Valley Golf League. The Rams won their first meet over Crestwood by a score of 10 to 8. The team had a total of nine scheduled meets, plus competition in the District Meet. The members of the team are: Jim Devers, Brian Powers, Barry Finn, Anthony Salerno, James McCann and Steve Gauger. Meeting with some good competition, the golf team gained much valuable experience. The boys played on many courses throughout the area and enjoyed participating in the sport. The team has proved to be quite successful at West Pittston and adds to the number of interesting activities which the school sponsors.

Valley League Championship-1966

Each West Pittston fan has his own version of the game that was played on March 30. The details of that game will vary with each story that is told, but the outcome will forever remain the same. The emotions felt during that game will vary with each story, but the outcome will still remain the same. The present feelings concerning that game will vary, yet, the outcome joyfully remains the same. The Valley League Championship has been bestowed upon a deserving team. **West Pittston High School has earned the title again!**

Spirits rode high the night of the game, and victory came as no surprise. From the moment the boys burst through the colorful hoop awaiting them on the gym floor, the fans were aware of the great bout they were to witness.

Our team's scoring punch had been apparent throughout the season; but the Rams outdid themselves that night, as they marched from quarter to quarter displaying fancy floor-work and great desire. All who had come to support the Green and White beamed with pride as they watched the Rams romp to victory. At the end of the game, West Pittstonians swarmed from the gym and cheered exuberantly! The 64-54 score was proudly announced in chapel, and sincerely greeted by a standing ovation. The Valley League Championship was then added to the list of memories of 1966.

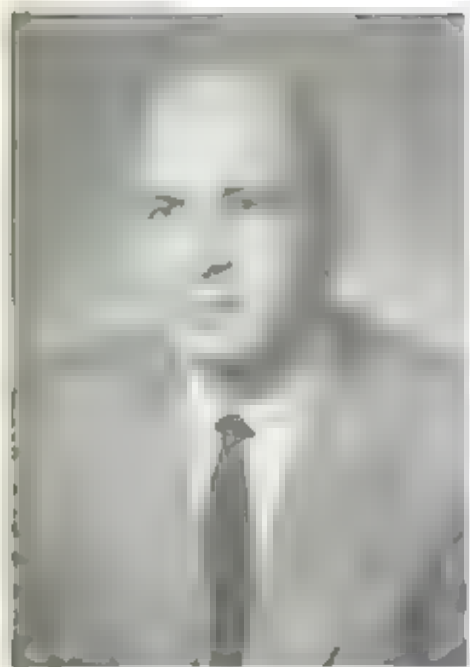

Shortly after this great event, West Pittston was again honored. For the first time in 88 years, a West Pittston sportsman was named to the All-State Honorable Mention. Michael Sepsick, a member of this year's graduating class and an outstanding basketball player, has earned space on the roster of Pennsylvania's great in sports.

The team's ascent to the championship and Mike's recognized ability has proven the message which Mr. Daniels, our basketball coach, relayed to us during one of our pep meetings:

"Rams are high-spirited, daring, and self-reliant. They brave the fiercest storms of winter and climb to great heights that no other animals (boys) dare ascend."

To Mr. Daniels, Mr. Zezza, the 1966 Rams Basketball Team, and Mike Sepsick go warm and sincere congratulations.

The Rams have seen their last basketball season, but their countless achievements will always be remembered. The yell of "Let's Go Rams!" will echo in basketball halls forever.....

Basketball-1966

Unheard of, a man's idea, a man's dream—basketball! In 1891 James Naismith invented a new game. He used a peach basket, a soccer ball, and two groups of boys. His dream turned into today's modern game of basketball.

This year, we, the people of West Pittston, have been blessed with the greatest and most thrilling example of this game. Never has so much excitement, action, spirit, and ability been packed into one season. Twelve boys, two coaches and a multitude of avid sports fans has brought us twenty victories, two losses, and the Valley League Championship.

Led by their capable coaches, Mr. Charles Daniels and Mr. Gerard Zezza, the West Pittston Rams have graced the headlines of countless newspaper articles. Never letting their spirits fall, our Rams romped from one town to another, leaving their indelible mark—victory for the green and white. While proud in victory, the Garden Village eagles held their heads high even when bitterly faced with their first, and only, defeat of the season play. Bowing to a determined opponent, the Rams returned home at the bottom of a 67—54 score after meeting the Northwest Rangers away in second-half competition. The loss made West Pittstonians more appreciative of their numerous victories, and ready to face the coming thrills of their remaining games. Leading the Rams to a hard-won championship this year were five seniors, all very worthy to represent West Pittston in her final triumph.

Mike "Laverne" Sepsiek highlighted the 1966 Season with his accurate shooting and alert defensive play. Hailed by many as "the best shot in the valley," Mike has rightfully earned the respect of numerous coaches, fellow-players, and sports fans throughout the valley.

Very much at home on the basketball court this year was tall and muscular Jack Williamson. His rebounding skill and variety of moves under the basket were invaluable assets to his team this year.

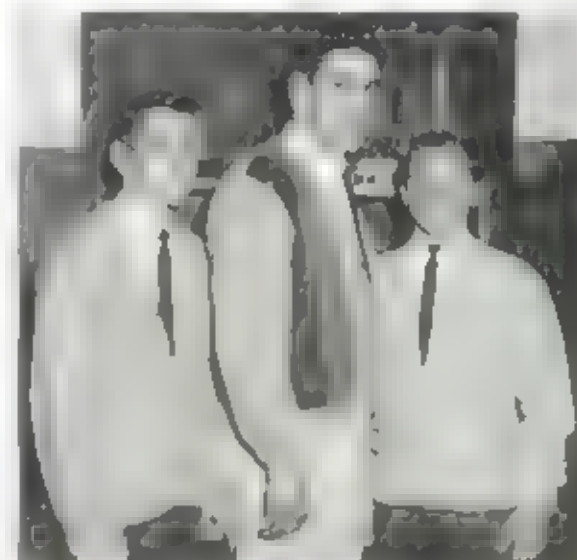

Another senior who exhibited great skill in handling the basketball throughout the season was Mike Aquilina. With his sure jump shots and close guarding, "Acky" proved to be a big help to the 1966 fast-moving Rams.

Always ready and eager, Ed Burke contributed more than his share to the successful efforts of his team. Eddie, by taking full advantage of his height, fought successfully under the basket for possession of the basketball.

Larry Ditoro, making his debut on the court this year, did much to keep up the spirits of his teammates by his never-ending energy. In the most crucial times of the game, Larry held his own and aided in the heated press for victory.

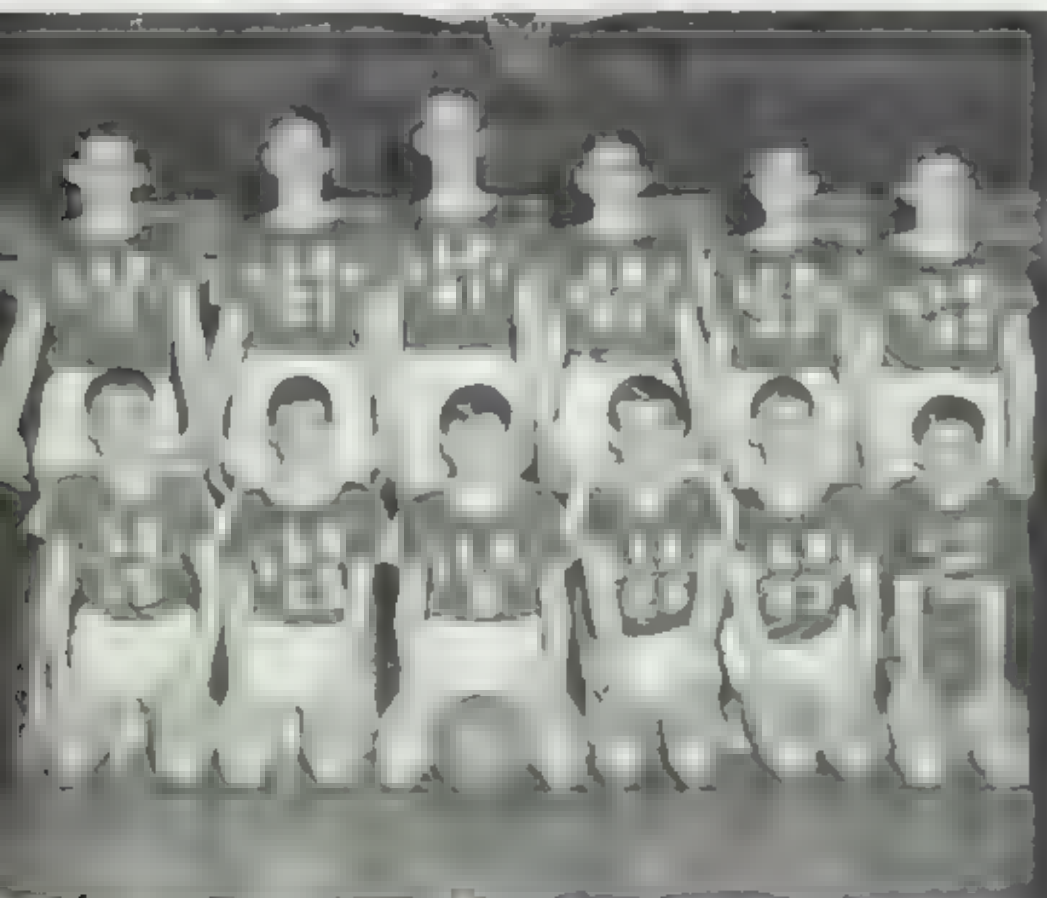

"Diminutive" Billy Langan and six-foot, four-inch Jim Devers, both juniors, showed outstanding skill in their performances this year. Their fine playing won the acclaim of all present at this season's games.

At the head of this year's championship team was a worthy leader. The confidence he placed in his boys accompanied them from one game to the next. He instilled in them and in their fans great spirit and high goals. Reminding us of the prowess of the Ram, our coach, Mr. Charles Daniels, gained not only innumerable fans, but friends as well. He will be well-remembered by the class of 1966 for his dream, his goal, our reality—the Valley League Championship! To him and the 1966 Rams goes our gratitude for a memorable basketball season—Our Final Championship...

TRACK AND FIELD

The 1966 version of the West Pittston High School track team, under the capable guidance of Mr. Patrick Cawley and his new assistant, Mr. Robert Tonkin, opened the season on April 27 with its first meet against West Side Central Catholic. Although the Rams were forced to drop out of the highly competitive Wyoming Valley Track League because of the lack of personnel, the thin-clads displayed a valiant effort against the Queensmen, but finally were defeated, 74 to 48.

Leading the Rams with first places in this meet were Rusty Hines, John Gillis, Kevin Smith and Tom Zenobi. Many of the hard-working underclassmen who comprise the majority of the team also placed in the meet.

This year's track schedule called for dual meets with Forty Fort and Wyoming, with the Rams playing host to Northwest and Central Catholic.

On their first encounter with the Flyers of Forty Fort, the Rams were outmanned by a strong Forty Fort team and dropped the meet by a score of 73-1/2 to 47-1/2. Once again turning in fine performances for the Rams were Rusty Hines, John Gillis, Tom Zenobi, Jim LaTorre, and John Williamson.

On May 10 the Rams met a powerful Wyoming team and were defeated 84 to 48. Those members placing high for West Pittston were led by Rusty Hines, David Todd, Tom Zenobi, John Gillis, Jim Bubul and Kevin Smith. The Rams were eagerly awaiting their return meet with the Redskins in order to avenge their defeat in their first outing.

In their second and final competition with the Flyers of Forty Fort, the much improved West Pittston team dropped a close meet by the score of 71 to 58. Once again turning in fine performances for the Rams were Tom Zenobi, Kenny Heal, Joe Labaty, Rusty Hines, John Gillis and Kevin Smith.

Track season closed on Friday, May 20, when our team met with several Valley teams in a district meet at Kingston. Although no records were broken, fine performances by Rusty Hines, Kevin Smith, James Bubul, David Todd, and John Gillis along with efforts of the entire team helped us to capture fourth place in the meet.
